

St. John Home is a licensed residential care home for older adults. Our services range from support with activities of daily living, dementia, Alzheimer, Memory Care, to 24-hour skilled nursing care for residents with memory care. With our unique low resident-to-provider ratio, your loved one is certain to receive personalized and high quality care at St. John Home!

Our facility at St. John Home boasts many exciting amenities, two kitchens, a spacious screened-in porch, two large living rooms, dining room, and six bedrooms with two bathrooms for unhurried privacy. The house and bathrooms is wheelchair accessible.

At St. John Home, our goal is to help our residents achieve the best quality of life possible by tailoring a personalized care program that maximizes each resident's independence and dignity. We look forward to working with you!
